Michigan Medical Marihuana Act

Ms. Miller reviewed the memo that was supplied in the Planning Commission (PC) packets with the compiled information from the previous meetings where this topic has been discussed. There was continued discussion regarding whether medical marijuana land uses should be considered "residential" or "commercial", and the map with the 1000' radius from churches, daycare centers and schools was reviewed and talked about. There was discussion on the PC's continued consensus as outlined by the memo provided by staff.

Ms. Miller will present the PC's consensus to the Township Board at the December 7th meeting and bring back any questions or concerns that they may have, if any, to a future PC meeting.
