I have some great news for you!

Granger and Delhi Township have reached an agreement to help you **RECYCLE MORE**. Each resident of Delhi Township who has Granger trash service will soon be eligible for street-side recycling at **no additional cost**. That's right—you can have recycling collected at your house for no additional fee, just for becoming a **Granger trash customer** and living in Delhi Township.

If you sign up now, you can get a regular cart for \$17.95 a month or a large cart for \$19.95 a month, receive one month of free trash service and take advantage of no additional charge recycling. To begin RECYCLING MORE, visit www.grangernet.com/delhirecycles. **PLEASE SIGN UP BY FEBRUARY 29, 2016.**

Regular trash cart (left), large trash cart and Curby Recycler (right)

Once you have signed up, you will receive a Curby Recycler at no charge. The Curby Recycler is a 96-gallon cart that is 45.13" tall, 28.5" wide and 33.73" deep. **Your Curby Recycler will be delivered to you before the end of May.**

Your new street-side recycling collection will begin in June and will occur every other week. Before your service begins, you will be provided with guidelines and a recycling calendar to help you remember the schedule.

Granger street-side collection is what is referred to as "single-stream," and does not need to be sorted. Acceptable items include cardboard; boxboard; tin and aluminum; #1 through #7 plastic bottles, tubs and jugs; and mixed paper (newspaper, magazines, office paper, junk mail, etc.). Clear and brown glass may also be put in your recycling collection, but due to safety and operational concerns, we prefer you take glass to the recycling drop-off center. (Please note that the Delhi Township Recycling Center on Grovenberg Road will still be available to residents. For more information, visit www.delhitownship.com/Recycling.htm.)

If you have any questions, please feel free to contact us at 517-372-2800 or by email at info@grangernet.com.

Most Sincerely,

Keith Granger
Chief Executive Officer

TEAMING UP
to
**RECYCLE
MORE**

**To be eligible to receive no additional cost recycling, you must be a Granger customer living in a single-unit household who does not receive trash service through a contract (such as with a homeowners' or condo association) and does not use bag tags for trash service.*
